

# RUMNEY RANGERS

## FRIDAYS

**FOR: STUDENTS IN GRADES 3 AND UP**

**FRIDAYS: Beginning March 8—April 19th**

**3:00—5:00 pm**

**FREE (registration fee provided through a Title IVA grant)**

**Pre-registration required**

**Registration limited**

### WHAT IS MAKEY MAKEY?

**IT'S THE INVENTION KIT OF THE 21ST CENTURY!!!!**

### WHAT WILL WE BE DOING?

**CRAFT & CODE**— Design your own controller with everyday materials like playdough or graphite pencils. Control your favorite Scratch game while you learn to code.

**SUPERMARKET CIRCUITS**—Is a banana conductive? The world is full of conductive objects & materials. Make musical circuits with liquids, fruits, and office supplies.

**BUILD YOUR OWN SENSORS**—Using foil, pennies, and paper clips

**WHITE MOUNTAIN SCIENCE, INC**

**will be joining us for the first 3 sessions.**
