

Spring Camp at Deer Creek Farm, Thornton NH

For more information go to

<https://deercreekfarm.recdesk.com>

Camp is a concentrated week of instruction and fun. Campers will have two mounted sessions a day and one unmounted sessions in a classroom format. Our mounted sessions will consist of groundwork and riding. We will have a midday break at lunch where we will go over the classroom session of horse health, confirmation, cleaning tack, and first-aid. Camp will start at 9 AM sharp and will end by 3 PM every afternoon. Deposits for camp are the only way to reserve a space and are nonrefundable, the program is first-come first-served.

Horses can be provided or campers may bring their own mounts as long as they are up to date on spring shots and Coggins are a must. Riders must have previous experience with horses and be able to walk trot and canter. Horses will be assigned by DCF considering the compatibility of mount and rider.
