

SCHOOL ADMINISTRATIVE UNIT #48

SERVING CAMPTON • ELLSWORTH • HOLDERNESS • PEMI-BAKER REGIONAL
PLYMOUTH • RUMNEY • THORNTON • WATERVILLE VALLEY • WENTWORTH

Good morning SAU 48 Families. This is Dan Rossner, Business Administrator for SAU48. I am contacting you today with an important update for families that want to take part in Nutrition Programs while we are out of the school buildings. Many of you may have received a survey on Monday regarding the delivery of Nutrition Programs during the remote learning experience. Due to certain restrictions from our regulators, and other concerns we must change the plan we had previously set up. Please respond to this **NEW** survey which can be found at http://bit.ly/MealSurvey_March18th2020

The program will start tomorrow, March 19th. Meals will not be sent out on School Bus Routes. Meals will only be available for pickup at your student's school building that they attend. Pickup times will be Monday through Friday, from 7 to 9 AM. The program is available to all students from Campton, Ellsworth, Holderness, Plymouth, Plymouth Regional High School, Rumney, Thornton, & Wentworth. The program will follow a student eligibility for either Free, Reduced, or Paid Meals. Each student that participates in this program will receive a Breakfast and a Lunch at the same time upon pickup.

If you are going to participate in the program, please arrive at the school your child attends between 7 & 9 AM. Stay in your car and approach the pickup station that will be set up near the main entrance. Stay in your car and lower your passenger side window when it is your turn. A school employee will ask you the names of the students you are collecting meals for. A Café Services employee will then provide you with the correct number of meals. The student account will be marked to reflect the service of the meals.
