June 2, 2020

Good afternoon Families, this Dan Rossner, Business Administrator for SAU48. As the school year comes to a close in the approaching days, we want to provide an update on the Nutrition Programs that have been provided during remote learning.

Starting Monday, June 8th, Food Distribution will move to a revised plan. Working together with chapters of the community organization GotLunch! the SAU48 team will be providing meal packs through the end of June. Food Packs will be distributed on Mondays & Wednesdays only, but there will still be 5 days of meals provided. The Monday pack will have 2 breakfasts & 2 lunches; the Wednesday pack will have 3 of each. Pickup times at your local elementary school will be from 8:00 - 9 AM. The same curbside pickup method being used now will continue until June 30th.

Due to the Construction at Rumney, there is no public access to that building. GotLunch! Volunteers will be delivering on the same route that has been in operation during remote learning.

At this time, the SAU48 Nutrition Program will end on June 30th. If a new opportunity to continue service into the summer becomes available, we will communicate further. Thank you for your support and patience during this time.

Please feel free to email me with your questions or concerns, drossner@pemibaker.org
