Themes are:

Grades K&1 is Going to the Fair! Join us for a fun-filled authentic fair experience with fair rides, games, fair animals, and, of course, some yummy fair food.

Grades 1&2 is Believe it or Not! Do you believe in unicorns, giants, Big Foot, mermaids, the Loch Ness Monster? How about magic? This group will explore the fantastical world of all magical creatures and may even learn some magic tricks in the meantime.

Grades 2&3 is Wild, Wild West! You're entering the wild, wild west. Come learn all about what it was like in the west back when it was first being explored. Grab a horse and join us for the fun! Yeehaw!

More themes are...

Grades 3&4 is Becoming a Detective! Are you interested in mysteries? Love solving puzzles and riddles? This group will work together to solve mysteries, learn about what it takes to be a detective, and possibly even stage their own mystery to be solved!

Grades 4&5 is Survival Stories. Do you have what it takes? Could you survive a cold night, high altitudes, or in the open ocean? Learn techniques and strategies to surviving all situations as well as how to tie a few knots as well. This action-packed group will keep you on your toes!

Grades 6-8 is Money! Money, money, money! Who doesn't love money?! But do you know where money comes from, how it is made, how to earn and save your money? In this group, you will learn all about coins, bills, and money-earning potential.
