### **SAU48 COVID-19 Update**

**Sunday, March 15, 2020**

**March, 15, 2020**

*Given the direction from Governor Sununu SAU 48 will be moving to a long term closure effective immediately for all schools. This week the faculty will be attending their schools on Monday to develop a plan for remote learning to begin Wednesday, March 18th. Your local school administrators will be communicating with all families tomorrow on the logistics of remote learning. Remote learning days will be counted as official school days and students/staff will not need to make up the days.*
