SAU 48 COVID-19 Update

March 13, 2020

1:15pm

Due to the fluid situation with COVID-19, SAU 48 will cancel school for Monday, March 16th to prepare for a remote learning environment, if we need to move to a long term closure at some point. SAU 48 will be closing on Monday to prepare for a remote learning environment where school faculty, staff, and administrators will be given the time to create a plan for students to learn at home if necessary. This day will count as a school day as students and faculty will not have to make up this day at the end of the year. We are **not** closing Monday due to any cases of COVID-19. Please call your local school Principal for additional information. Thank you for your patience.
