Secretary of State Guidelines

General Elections where votes are cast for president—must have one booth for every 100 voters – 21 booths

General Elections – no votes for President – must have one booth for every 125 voters – 17 booths

All other State Elections – must have one booth for every 150 voters – 14 booths

City, Town, School District and Village District Elections – must have one booth for every 200 voters – 11 booths

In November 2018 State Elections – 1,134 ballots were cast-

There are also guidelines relative to the placement of guardrails so no person can be closer than 6 ft to voting booths – this is virtually impossible to do at the town hall.

Town of Thornton has 2,092 registered voters
