Parents...

Please help us get the ever-growing assortment of Lost-but-Found items under control. Please encourage your children to bring home their coats, hats, and changes of clothing from PE or afterschool activities.

If you know of particular items you haven't seen in a while—send us a note or give us a call—we'll try to help locate it. Also, if possible, please put names on the tags, then we can easily return items to the kids.

Thanks for your assistance...

Mrs. Joyce

Note: Unclaimed items are periodically taken to the CARC thrift store.
