To begin using the parent portal you will need to complete the following steps:

Step 1: Go to <https://www.sau48.org/domain/8> and click on ‘For Families’ then the ‘PowerSchool for Parents’ link.

Step 2: Create Your Account.

Click ‘Create Account’. This one-time setup must be completed the first time you access the Parent Portal. In order to do this, you must have your child’s access ID and password handy. If you don’t have it, please call the school at 726-3931 and we will provide it for you.
