

Bus Routes 2018-2019

Students must be at the bus and prepared to board the bus 5 minutes prior to expected arrival of the bus.

Some students will need to cross the road to get on or off the bus. The bus driver will cross the students when the bus is stopped. There are flashing lights and a stop sign on the bus for cars to stop. Students should not cross the road until the bus driver signals and the stop sign is out.

Times are approximate, and may be adjusted if necessary. Please be patient during the first week of school while we get used to new stops on the route.
